Welcome to our Lady’s Education Board Newsletter for Semester 1 2015.

The Education Board would firstly like to extend a warm welcome to all the new and returning students, teaching staff and parents to Our Lady’s School for 2015. Also a warm welcome to our new Parish Priest, Father Tony Doran.

Already Term 1 and Term 2 have shown us how busy the students have been not only within their own classes but also within Our Lady’s Parish and the wider community. The Education Board has also been busy with setting achievable goals for the year and is happy with our success so far.

The Term One Leaders attended the Mass for the Feast of St Patrick. It is a great privilege to attend at St Patrick’s Cathedral with other students from Catholic Schools. Foundation is a special year and to start the year with a night at school in pyjamas sharing an understanding of God, church, prayer and family was a wonderful experience by all.

On the second to last day of Term 1 the school held their Easter Paraliturgy. The students and staff presented readings and walked the Stations of the Cross. It was a very solemn and moving service that left all who attended more prepared for Easter.
The Biggest Morning Tea was once again hosted by the Education Board and its many helpers and bakers. The Morning Tea was a great success and it was great seeing many different groups of the school, parish and wider community sharing a cuppa, cake and a chat in support of a very important cause – The Cancer Council. This year we raised $660.95 and would like to thank all those who donated.

Spirit Day was well received by the candidates for Confirmation and it was great to have Bishop Mark Edwards help with further understanding of what it is to be part of the Catholic Church. The Education Board wishes to thank those who provided such a beautiful lunch to share for those candidates.

Families and parishioners were delighted to see candidates confirmed in the Holy Spirit by Bishop Mark Edwards on Saturday June 20th. The Confirmation Mass was well organised and the children were so beautifully presented.

Our Lady’s Education Board.
